Re: Union Township, Hendricks County, Indiana – Request for Levy Increase

Dear Mr. Duffy:

As Trustee of Union Township, Hendricks County, Indiana, pursuant to IC 6-1.1-17-16, I am requesting that the Department of Local Government Finance increase the levy for the repayment of the emergency fire loan previously approved by the Township Board on July 29, 2014 to an amount that will permit the repayment of that loan during calendar year 2015. At the time Union Township decided to incur the emergency loan for calendar year 2014, the field representative from the DLGF advised that the township could repay that loan over three (3) years pursuant to IC 36-6-6-14(f). In reliance on this advice, on July 29, 2014 the Township Board approved an emergency loan with a three (3) year repayment schedule. No remonstrance was filed. The Township included, in its budget, the amount necessary to repay the emergency loan over a three (3) year period.

The Township Board will hold a public hearing to approve the change in the repayment schedule and will provide copies of the notice and resolution to you.

Sincerely,

A handwritten signature in cursive script, appearing to read "Paul R. Brasher". The signature is written in black ink and is positioned above the printed name of the signatory.

NOTICE OF PUBLIC HEARING TO TAXPAYERS OF UNION TOWNSHIP, HENDRICKS COUNTY

The taxpayers of Union Township, Hendricks County, are notified that on October 4, 2014, the Township adopted its 2015 budgets and levies. The Township erroneously advertised and adopted a budget and levy sufficient to cover only one-third of the emergency fire loan the Township approved on July 29, 2014 pursuant to IC 36-6-6-14. The correct proposed 2015 budget and levy for this loan is \$28,702. On ___OCTOBER___, _27_ 2014, at _7___ P_.m., the Township Trustee and Township Board of Union Township will meet at 202 West Main Street, Lizton, Indiana, to discuss renegotiating the loan to ensure repayment within one (1) year rather than three (3) years, as required by statute. Taxpayers have the right to be heard.
